

Article I. SECTION 1 GENERAL

1.1 TITLE

This Bylaw may be cited as the “Town of Sexsmith Land Use Bylaw”.

1.2 PURPOSE

The purpose of this Bylaw is to regulate the use and development of land and buildings within the Town of Sexsmith.

1.3 APPLICATION OF BYLAW

The provisions of this Bylaw apply to all land and buildings within the corporate boundaries of the Town of Sexsmith.

1.4 CONFORMITY WITH BYLAW

- 1.4.1 No person shall commence any development unless it is in accordance with the terms and conditions of a Development Permit issued pursuant to this Bylaw, where such a permit is required.
- 1.4.2 Nothing in this Bylaw prevents the use of any lot, building or structure for any purpose not permitted by this Bylaw if such lot, building or structure was lawfully used for such purpose on the date of passing this Bylaw provided it is used for that purpose on a continuous, uninterrupted basis (see Section 4.3).

ADDITIONAL REQUIREMENTS

- 1.5.1 In addition to meeting the requirements of this Bylaw, it is the responsibility of the applicant to obtain other such approvals that may be required by the Town or other Provincial Government departments or agencies.
- 1.5.2 The issuance of a development permit under this Bylaw does not entitle the applicant to carry on a business or construct a building. Businesses are also governed by the Business License Bylaw and may require a license under that Bylaw. Similarly, a building permit may be required under the Alberta Building Code and Alberta Safety Codes Act.

SECTION 2 DEFINITIONS

2.1 In this Bylaw:

“ACCESSORY” when used to describe a use or building means a use or building which, in the opinion of the Development Authority, is incidental, subordinate and exclusively devoted to the principal use or building and located on the same site.

“ACT” means the Municipal Government Act, SA 2000 as amended.

“AMUSEMENT FACILITY” means an area, structure or part of a structure open to the public that contains mechanical or electronic games and/or pool tables for the purpose of providing entertainment for a fee.

“YARD, SIDE” means a yard extending from the front yard to the rear yard and situated between the side lot line and the nearest exterior wall of the principal building.

SECTION 3 DUTIES OF DEVELOPMENT AUTHORITIES

3.1 ESTABLISHMENT OF APPROVING AUTHORITIES

3.1.1 The office of the Development Officer is hereby established and such office shall be filled by a person or persons to be appointed by resolution of Council, and is authorised to act as a "Development Authority".

3.1.2 The Municipal Planning Commission, as established by separate Bylaw, is authorised to act as a "Development Authority".

3.1.3 The Development Officer shall:

- (a) receive and process all applications for development permits;
- (b) keep and maintain for inspection by the public during office hours, a copy of this Bylaw and all amendments and resolutions thereto and ensure that copies are available to the public at a reasonable charge; and
- (c) keep a register of all applications for development, including the decisions thereon ++and the reasons therefore, for a minimum period of seven (7) years.

3.1.4 The Development Officer:

- (a) shall issue decisions for development permit applications for those uses listed as "Permitted Uses" in the subject land use district;
- (b) shall refer all applications for "Discretionary Uses" to the Municipal Planning Commission;
- (c) may refer development permit applications to the Municipal Planning Commission, at his discretion, for:
 - (i) those uses not listed either as "Permitted Uses" or "Discretionary Uses" in the subject land use district, and
 - (ii) those uses listed as "Permitted Uses" which the Development Officer wishes to refer to the Municipal Planning Commission.

3.1.5 The Municipal Planning Commission shall decide upon all applications for "Discretionary Uses" and any other applications for "Permitted Uses" referred to it by the Development Officer.

- 3.1.6 (a) The Development Authority shall consider and decide on applications for development permits within forty (40) days of the receipt of the application in its complete form. If a decision is not made within forty (40) days, the application shall at the option of the applicant be deemed refused.
- (b) If a decision is not made within the forty (40) days as specified in subsection (a), the applicant may enter into an agreement with the Development Authority to extend the forty (40) day period using the prescribed form.

3.2 DEVELOPMENT AUTHORITY'S DISCRETION

A development permit application for a use that is not listed as a "Permitted Use" or a "Discretionary Use" in the subject district shall be refused.

3.2.2 In making a decision on an application for a use listed under the "Permitted Uses" column in a respective district, the Development Authority:

- (a) shall approve with or without conditions an application for a development permit where the proposed development conforms with this Bylaw; or
- (b) may approve an application if the proposed development does not conform with this Bylaw subject to conditions necessary to ensure conformity; or
- (c) may refuse an application for a development permit if the proposed development does not conform with this Bylaw.

3.2.3 In making a decision on an application for a use listed under the "Discretionary Uses" column in a particular district, the Development Authority:

- (a) may approve, either permanently or for a limited period of time, an application for a development permit which meets the requirements of this Bylaw, with or without conditions based on the merits of the application including any approved statutory plan or approved policy affecting the site; or
- (b) may refuse an application for a development permit on its merits even though it meets the requirements of this Bylaw; or
- (c) shall refuse an application for a development permit if it does not meet the requirements of this Bylaw.

3.2.4 Notwithstanding any provisions or requirements of this Bylaw, the Development Authority may establish a more stringent standard for "Discretionary Uses" when deemed necessary to do so.

VARIANCES

When approving development permit applications, the Development Authority may allow a variance not exceeding ten percent (10%) of the lot width, lot area, building height, lot coverage or development setback where in the Development Authority's opinion such a variance does not unduly affect the amenities, use, or enjoyment of the site or the neighbouring properties.

- 3.3.2 When approving subdivision applications, the Development Authority may allow a variance to district requirements as noted in Section 3.3.1 if it is satisfied that the variance will not unduly affect the amenities, use, or enjoyment of the lot or neighbouring properties.
- 3.3.3 In established residential districts, the Development Authority may allow front yard setbacks for infill housing development to be varied to coincide with the average setback on the block face being developed.
- 3.3.4 Notwithstanding Section 3.2.1, if a proposed use of land or a building is not listed as a "Permitted Use" or "Discretionary Use" in the Bylaw, the Municipal Planning Commission may determine that such a use is similar in character and purpose to a use listed under that land use district and may issue a development permit.
- 3.3.5 In the event that a variance is granted pursuant to Section 3.3.1, the Development Authority shall specify the nature of the approved variance in a development permit.

SECTION 4 NEED FOR A DEVELOPMENT PERMIT

4.1 DEVELOPMENT PERMITS REQUIRED

Except as provided in Section 4.2, no person shall undertake any development unless:

- (a) a development permit has first been issued pursuant to this Bylaw;
- and
- (b) it is in accordance with the terms and conditions of a development permit issued pursuant to this Bylaw.

4.2 DEVELOPMENT PERMITS NOT REQUIRED

A development permit is not required for the following developments but they shall otherwise comply with the provisions of this Bylaw, the Alberta Safety Codes Act and the Alberta Building Code:

- (a) works of maintenance or repair to any building provided that such works do not include structural alterations or major works of renovation. Structural alterations are those which, in the opinion of the Development Authority, would result in substantial changes to the roof, foundation, or exterior walls of a structure, or alterations that result in an expansion of the usable floor area of a structure or serve to reduce existing setback distances;
- (b) A change in the business or the occupancy of an existing building which, in the opinion of the Development Authority, does not constitute a change in the type of use of the site;
- (c) the completion of a building which is lawfully under construction at the date this Bylaw comes into full force and effect, provided that:
 - (i) the building is completed in accordance with the terms of any permit granted in respect of it, subject to the conditions of that permit, and
 - (ii) the building is completed within a period of twelve (12) months from the date this Bylaw comes into full force and effect;
- (d) the use of any building referred to in Section 4.2(c) for the purpose for which construction was commenced;
- (e) the construction and maintenance of gates, fences, walls or other means of enclosure less than 1 m (3.3 ft) in height in front yards and less than 2 m (6.5 ft) in height in side and rear yards;

- (f) a temporary building or the installation of machinery, the sole purpose of which is incidental to the erection or alteration of a permanent building, for which a development permit has been issued;
- (g) public works, services and utilities carried out by or on behalf of Federal, Provincial or Municipal authorities on land which is publicly owned or controlled;
- (h) the erection or construction of a single family dwelling having not less than 93 m² (1,000 ft²) of ground floor area in a district in which it is listed as a "Permitted Use";
- (i) the use of a building or part thereof as a temporary polling station for a Federal, Provincial or Municipal election or referendum;
- (j) an official notice, sign, placard, or bulletin required to be displayed pursuant to the provisions of Federal, Provincial, or Municipal legislation;
- (k) one (1) temporary, on-site sign which does not exceed 1.1 m² (12 ft²) in area nor 1.2 m (4 ft) in height and is intended for:
 - (i) advertising the sale or lease of a dwelling unit, or property, or
 - (ii) identifying a construction or demolition project for which a development permit has been issued for such a project, or
 - (iii) identifying a political campaign. Such a sign may be displayed for 30 days prior to an election or referendum and must be removed within 7 days following the election or referendum, or
 - (iv) advertising a campaign or drive which has been approved by Council. Such a sign may be posted for a maximum period of 14 days;
- (l) the construction, maintenance and repair of private walkways, private pathways, private driveways, and similar works unless the work involves the creation or expansion of a curb cut;
- (m) accessory buildings that do not exceed 14 m² (150 ft²) in size;
- (n) fascia signs that are to be affixed to a building or structure for which a development permit has been issued; and
- (o) satellite dish antennas that are less than 0.9 m (3 ft) in diameter.

4.3 NON-CONFORMING BUILDINGS AND USES

Developments that are considered as a non-conforming building or use and do not meet the requirements of Section 1.4.2 shall be dealt with as provided for under the Act. For convenience, the following extracts are provided:

- (a) A non-conforming use of land or building may be continued but if that use is discontinued for a period of six (6) consecutive months or more, any future use of the land or building shall conform with the provisions of this Bylaw;
- (b) A non-conforming use of part of a building may be extended throughout the building but the building, whether or not it is a non-conforming building, may not be enlarged or added to and no structural alterations shall be made to it or in it;
- (c) A non-conforming use of part of a lot may not be extended or transferred in whole or in part to any other part of the lot and no additional buildings may be constructed on the lot while the non-conforming use continues.
- (d) A non-conforming building may continue to be used but the building may not be enlarged, added to, rebuilt or structurally altered except
 - (i) to make it a conforming building, or
 - (ii) for routine maintenance of the building, if the Development Authority considers it necessary;
- (e) If a non-conforming building is damaged or destroyed to the extent of more than 75% of the value of the building above its foundation, the building may not be repaired or rebuilt except in accordance with this Bylaw;
- (f) The land use or the use of a building is not affected by a change of ownership or tenancy of the land or building.

SECTION 5 DEVELOPMENT PERMIT APPLICATIONS

5.1 FORMS AND NOTICES

- 5.1.1 An application for a development permit shall be made to the Development Officer in writing in the prescribed form, and shall be signed by the landowner or his authorised agent.
- 5.1.2 For the purpose of administering the provisions of this Bylaw, Council, by resolution, may authorise the preparation and use of such forms and notices as in its discretion it may deem necessary. Such forms or notices, contained in Schedule "A" herein, are deemed to have the full force and effect of this Bylaw in execution of the purpose for which they were designed, authorised and issued.

5.2 CONTENTS OF A DEVELOPMENT PERMIT APPLICATION

- 5.2.1 An application for a development permit shall be made to the Development Officer in writing on the prescribed form, and shall be signed by the applicant or his agent. The Development Officer may require any of the following information with the application:
- (a) a site plan showing the legal description and front, rear and side yards, if any, and any provision for off-street loading, parking, and site access;
 - (b) a floor plan and elevations;
 - (c) a statement of use;
 - (d) a statement of ownership of land and interest of the applicant therein;
 - (e) the estimated commencement and completion dates;
 - (f) the extent of existing treed areas shall be indicated together with an indication of the trees which are proposed for removal;
 - (g) utilities, site drainage, grade elevations, existing and finished lot grades, the grades of the streets and the location of proposed sewer and water lines; and
 - (h) such additional information as the Development Officer may require.

It will be accompanied by a non-refundable processing fee, the amount of which shall be determined from time to time by resolution of Council.

When, in the opinion of the Development Authority, sufficient details have not been included with the application, it may be returned to the applicant for further details. The application so returned shall be deemed not to have been in its complete and final form until all required details have been submitted.

SECTION 6 PROCESSING A DEVELOPMENT PERMIT

6.1 PROCESSING A DEVELOPMENT PERMIT APPLICATION

6.1.1 The Development Officer may refer any application to any agency in order to receive comment and advice.

CONDITIONS OF A DEVELOPMENT PERMIT

6.2.1 The Development Authority may require with respect to a development that as a condition of issuing a development permit, may require that the applicant enter into an agreement with the Town to do any or all of the following:

- (a) to construct or pay for the construction of a road required to give access to the development;
- (b) to construct or pay for the construction of a pedestrian walkway system to serve the development, or pedestrian walkways to connect the pedestrian walkway system serving the development with a pedestrian walkway system that serves or is proposed to serve an adjacent development;
- (c) to install or pay for the installation of public utilities, other than telecommunications systems or works, that are necessary to serve the development;
- (d) to construct or pay for the construction of off-street or other parking facilities and loading and unloading facilities; and
- (e) to pay an off-site levy or redevelopment levy imposed by Bylaw.

The Town may register a caveat pursuant to the provisions of the Act and the Land Titles Act in respect of an agreement under this Section against the Certificate of Title for the land that is the subject of the development. Said caveat shall be discharged when the agreement has been complied with.

6.2.2 A development permit lapses and is automatically void if construction is not commenced to the satisfaction of the Development Officer within twelve (12) months from the date of issuing the permit, or within such longer periods not exceeding three (3) months as may be approved by the Development Officer

6.2.3 A development permit comes into effect fourteen (14) days after Notice of Decision has been issued unless an appeal has been lodged with the Subdivision and Development Appeal Board. No development shall be commenced pursuant to the development permit until all appeals are finally determined and the issuance of the development permit has been upheld.

- 6.2.4 For the purposes of this Bylaw, issuance of the Notice of Decision is deemed to have been given on the day when the Notice of Decision has been published in the newspaper or three (3) days after the notice has been stamped and mailed to the applicant.
- 6.2.5 When an application for a development permit has been refused pursuant to this Bylaw or ultimately after appeal, the submission of another application for a development permit on the same parcel of land for the same or similar use shall not be accepted by the Development Officer for at least six (6) months after the date of the refusal.
- 6.2.6 When, in the opinion of the Development Authority, satisfactory arrangements have not been made by an applicant for the supply of water, electrical power, sewage, or access, including payment of the costs of installation or construction, the Development Authority shall not issue a development permit.

6.3 NOTIFICATION OF PERMIT APPROVAL OR REFUSAL

- 6.3.1 When an application for a development permit is approved, the Development Officer or designate shall:
 - (a) mail a notice of decision to the applicant or his agent; and
 - (b) post a notice in the Town Office stating the location and address of the property for which the application has been made, the nature of the approval, and the decision of the Development Authority.
- 6.3.2 In addition to Section 6.3.1 above, upon the approval of an application for a development permit for a Permitted Use involving a variance, or a Discretionary Use, the Development Officer shall:
 - (a) mail a notification of the approval to all landowners within a 46 m (150 ft) radius of the proposed development; and
 - (b) publish a notice in the local newspaper stating the location and address of the property for which the application has been made, the nature of the approval, and the decision of the Development Authority.

When an application for a development permit is refused, the Development Officer shall mail a notice of decision to the applicant or his agent stating the reasons for the refusal.

6.4 CONTRAVENTION

- 6.4.1 Where the Development Officer finds that a development or use of land is not in accordance with the Act, this Bylaw, or a development permit, the Development Officer may, by written notice, order the registered owner, the person in possession of the land or buildings, or the person responsible for the contravention, or all or any of them to:

- (a) stop the development or use of the land or building in whole or in part as directed by the notice; or
- (b) demolish, remove or replace the development; or
- (c) carry out any other actions required by the notice so that the development or use of the land or building complies with the Act, a development permit or a subdivision approval, or this Bylaw as the case may be, within the time set out in the notice.

6.4.2 If a person fails or refuses to comply with an order directed to him under Section 6.4.1 or an order of the Board under the Act, Council or a person appointed by Council may, in accordance with the Act, enter upon the land or building and take such action as is necessary to carry out the order.

6.4.3 When Council or a person appointed by it carries out an order, Council shall cause the costs and expenses incurred in carrying out the order to be placed on the tax roll as an additional tax against the property concerned and that amount shall be collected in the same manner as taxes on land.

6.4.4 For the purpose of entering and inspecting land or buildings as described in the Act, the Development Officer is hereby declared to be a “designated officer”.

SECTION 7 APPEALING A DECISION

7.1 METHOD OF APPEAL

- 7.1.1 The Board shall perform such duties and follow such procedures as specified in the Act and the Subdivision and Development Appeal Board Bylaw.
- 7.1.2 A decision on a development permit application may be appealed by serving a written notice of appeal on the Secretary within fourteen (14) days of the Notice of Decision.

7.2 THE APPEAL PROCESS

- 7.2.1 The Secretary shall ensure that a notice of appeal is given to all persons required to be notified under the provisions of the Subdivision and Development Appeal Board Bylaw.
- 7.2.2 When a notice has been served with respect to a decision to approve a development permit application, the development permit shall not be effective before:
 - (a) the decision on the permit has been upheld by the Board; or
 - (b) the Secretary has received written notification from the appellant that the appeal has been abandoned.
- 7.2.3 If the decision to approve a development permit application is reversed by the Board, the development permit shall be null and void.
- 7.2.4 If the decision to refuse a development permit is reversed by the Board, the Board shall direct the Development Officer to issue a development permit forthwith in accordance with the decision of the Board.
- 7.2.5 If the decision to approve a development permit application is varied by the Board, the Board shall direct the Development Officer to issue a development permit forthwith in accordance with the terms of the decision of the Board.

SECTION 8 AMENDING THE BYLAW

8.1 CONTENTS OF AN AMENDMENT APPLICATION

8.1.1 A Land Use Bylaw amendment application shall be made to the Development Officer in writing on the prescribed form, and shall be signed by the applicant or his agent. The Development Officer may require any of the following information to accompany an application to amend this Bylaw:

- (a) if the amendment involves the redesignation of land to a different land use district,
 - (i) a copy of the Certificate of Title for the lands affected, or any other documentation satisfactory to the Development Officer verifying that the applicant has a legal interest in the land,
 - (ii) where the applicant is an agent acting for the owner, a letter from the owner verifying the agent's authority to make the application, and
 - (iii) a properly dimensioned map of appropriate scale indicating the site to be amended, and its relationship to existing land uses within a 90 m (295 ft) radius of the boundaries of the site;
- (b) a statement of the reasons for the request to amend the Bylaw; and
- (c) such additional information as the Development Officer may require.

8.1.2 Each application for an amendment to this Bylaw shall be accompanied by a non-refundable processing fee, the amount of which shall be determined from time to time by resolution of Council.

8.1.3 The Development Officer may refuse to process an application to amend this Bylaw if the information has not been supplied or if, in his opinion, it is of inadequate quality to properly evaluate the application.

8.1.4 Council, on its own initiative, may proceed to undertake an amendment to this Bylaw by directing the Development Officer to initiate an application.

8.2 THE AMENDMENT PROCESS

8.2.1 Upon receipt of a complete application in accordance with Section 8.1, the Development Officer shall refer the application to Council for first reading and to establish a date for a public hearing to be held prior to second reading.

8.2.2 The application to any agency as deemed necessary for comment and advice.

8.2.3 A notice of the application shall be published in two (2) consecutive issues of the local newspaper. This notice shall contain:

- (a) the purpose of the proposed amendment;
- (b) the one or more places where a copy of the proposed amending Bylaw may be inspected by the public during reasonable hours;
- (c) the date, place, and time that Council will hold a public hearing on the proposed amendment;
- (d) an outline of the procedures to be followed by anyone wishing to be heard at the public hearing;
- (e) an outline of the procedures by which the public hearing will be conducted; and
- (f) if the amendment involves the redesignation of land to a different land use district, the municipal address, if any, and the legal description of the land.

8.2.4 If the proposed amendment involves the redesignation of land to a different land use district, the Development Officer shall, in addition to Section 8.2.3:

- (a) mail a notice containing the information outlined in Section 8.2.3 to all landowners within a 60 m (200 ft) radius of the subject land; and
- (b) post a notice on the subject land containing the information outlined in Section 8.2.3.

8.2.5 Council, after considering

- (a) any representations made at the public hearing; and
- (b) any municipal development plan, area structure plan, and area redevelopment plan affecting the application and the provisions of this Bylaw may
 - (i) make such changes as it considers necessary to the proposed amendment, if any, and proceed to pass the proposed amendment, or
 - (ii) defeat the proposed amendment.

8.2.6 Where an application for an amendment has been refused by Council or withdrawn by the applicant after advertisement of the proposed amendment, the Development Officer shall refuse to accept another application on the same land for the same or similar purpose until six (6) months have passed from the date of such refusal, or six months after the date that the applicant's letter of withdrawal is received by the Development Officer

SECTION 9 GENERAL REGULATIONS

9.1 ACCESSORY BUILDINGS AND USES

- 9.1.1 For the purpose of calculating yard setbacks and site coverage requirements as provided for in this Bylaw, when an accessory building is attached to the principal building on a site by a roof, an open or enclosed structure, a floor, or a foundation, it is to be considered a part of the principal building.
- 9.1.2 An accessory building shall be located at least 1.8 m (6 ft) from any principal building.
- 9.1.3 The minimum side yard setback shall be 1.5 m (5 ft). However, no side yard is required for any accessory building in a residential or industrial district where a mutual wall is erected on a common property line and is constructed of brick, stone, or equivalent fire resistant material. There will be no overhang of eaves and all drainage shall be confined to the site.
- 9.1.4 The minimum rear yard setback shall be 0.9 m (3 ft). However, where primary access to a private garage is obtained via a rear lane, and the vehicle entrance doors face the lane, the minimum rear yard setback shall be 4.6 m (15 ft).
- 9.1.5 The total combined area of all accessory buildings shall not exceed ten percent (10%) of the site area.

In the Central Commercial (C1) District, accessory buildings or uses shall only be located in the rear yard.

- 9.1.7 No accessory building or use shall be located in the front yard of a site.
- 9.1.8 No accessory building erected on a site in a residential district shall be used as a dwelling unit.
- 9.1.9 The quality and construction of accessory buildings shall exceed or be comparable to the principal building to the satisfaction of the Development Authority

9.2 CORNER SITE RESTRICTIONS

- 9.2.1 Notwithstanding any other provision contained in this Bylaw, no person shall place or maintain any object, structure, fence, hedge, shrub, or tree in or on that part of a sight triangle if, in the opinion of the Development Authority, such objects or structures interfere with traffic safety.
- 9.2.2 On any corner site, no finished grade shall exceed the general elevation of the road by more than 0.6 m (2 ft) within a sight triangle.

9.3 HOME OCCUPATIONS

9.3.1 Home occupations shall be limited to those uses which are approved by the Development Authority. Those uses shall not interfere with the rights of other residents to the quiet enjoyment of a residential neighbourhood.

9.3.2 Home occupations shall be a subordinate use to the principal residential use, shall be restricted to the dwelling unit, and shall not:

- (a) employ any person other than a resident of the dwelling unit;
- (b) require alterations to the principal building unless the alterations are approved as part of a development permit application;
- (c) create a nuisance by way of dust, noise, smell, smoke or traffic generation;
- (d) have outside storage of materials, goods and equipment; and
- (e) display any form of commercial advertising, wares or products discernible from the outside of the building but may display an unlighted sign placed in a window or attached to the exterior of the dwelling which is a maximum of 900 cm² (140 in²) in area.

9.3.3 Development permits for home occupations shall be valid for a period of one (1) year. If no conflicts have arisen in that time, no additional development permits shall be required.

9.4 OBJECTS PROHIBITED IN DISTRICTS

9.4.1 No person shall be allowed to keep or maintain:

- (a) a commercial vehicle with a gross vehicle weight (G.V.W.) rating in excess of 4,536 kilograms (10,000 lbs) to remain on a street in a residential district for longer than is reasonably necessary to load or unload the vehicle;
- (b) a dismantled or derelict vehicle on a site in a residential district for more than 48 hours;
- (c) any excavation, building, or storage of material upon a site during the construction stage of any development unless all safety requirements are complied with and the owner and developer of any such site shall assume full responsibility for on-site safety measures;
- (d) any excavation, equipment, or construction materials to remain on a site over a period longer than is reasonably necessary to complete construction; and

- (e) any object or chattel which is unsightly or tends to adversely affect the amenities of the district.

9.5 RELOCATION OF BUILDINGS

9.5.1 Where a development permit has been granted for the relocation of a building, the Development Authority shall require the applicant to provide:

- (a) a performance bond of such amount to ensure completion of any renovations set out as a condition of approval; and
- (b) an engineer's certificate to confirm that the building is structurally sound.

9.5.2 Renovations shall be completed within one (1) year of the issuance of a development permit.

9.6 LANDSCAPING AND SCREENING

9.6.1 In commercial and industrial districts, all areas not used for vehicular circulation, storage or a structure shall be loamed or grassed.

9.6.2 Any area requiring landscaping shall be landscaped so that the finished surface contours do not direct surface drainage onto an adjoining site.

9.6.3 Any area required to be landscaped may, at the discretion of the Development Authority, be left in its natural state or be loamed and planted with grass, trees, shrubs and/or flowers, or similar materials or a combination thereof, which enhance the appearance of the site and which complement the development thereon.

The Development Authority shall require screening to be provided in order to visually separate areas which are determined to detract from the surrounding neighbourhood.

9.6.5 Any lighting proposed to illuminate areas in any district shall be located and arranged so that all direct rays of light are directed upon the area to be illuminated and not on any adjoining properties.

9.7 PARKING AND LOADING FACILITIES

9.7.1 Off-street parking shall be provided in accordance with the following table:

| <u>Residential Uses</u> | <u>Minimum Parking Requirements</u> |
|---------------------------------|-------------------------------------|
| Apartment Buildings, Townhouses | 1.5 stalls/dwelling unit |
| All Other Residential Uses | 2 stalls/dwelling unit |

Commercial Uses

| | |
|--|---|
| Business, Administrative and Offices, Banks | 1 stall/46 m ² (500 ft ²) of gross Professional floor area. |
| Retail Shops, Personal Service Establishments | 1 stall/28 m ² (300 ft ²) of gross floor area. |
| Restaurants | 1 stall/4 seats |
| Drive-in Restaurants | 1 stall/ 18.5 m ² (200 ft ²) of gross floor area. |
| Inns | 1 stall/guest unit plus 1 stall/2 employees. |
| Drinking Establishments | 1 stall/4 seats |
| Where an inn and/or restaurant and/or drinking establishment are grouped in any combination within one building. | Required number of stalls may be reduced at the discretion of the Development Authority to 75% of the combined total of all uses. |

Other Non-Residential Uses

| | |
|---|--|
| Public Assembly Auditoria, Theatres, Convention Halls, Gymnasias, Private Clubs | 1 stall/3.5 seats or 1 stall/3.3 m ² (35 ft ²) of floor area used by patrons, whichever is greater. |
| Churches | 1 stall/5 seating spaces |
| Hospitals or Clinics | 1 stall/93 m ² (1,000 ft ²) of gross floor area. |
| Elementary Schools | 1 stall/classroom |
| Junior (and Senior High) Schools | 2 stalls/classroom |
| Senior High Schools | 4 stalls/classroom |
| Manufacturing and Industrial Plants, Warehousing, Wholesale and Storage Buildings and Yards, Servicing and Repair | 1 stall/3 employees on a maximum working shift. |

required areas as identified in subsection (a) at such time that the abutting road is paved. This agreement shall be registered by caveat against the property as provided in Section 6.2.1.

9.7.10 Adequate curbs, concrete bumpers, or fences shall be provided to the satisfaction of the Development Authority if it is or becomes necessary to protect adjacent fences, walls, boulevards, landscaped areas, or buildings on the site, or an abutting site from contact with vehicles using such parking space or area.

9.7.11 Off-street parking shall be provided in the manner shown on the approved site plan with the entire area to be graded so as to ensure that drainage will be disposed of in a manner satisfactory to the Development Authority.

9.8 BUILDING ORIENTATION AND DESIGN

All buildings, accessory buildings, enclosed verandas, porches and balconies erected or placed on a parcel shall be designed and sited such that, in the opinion of the Development Authority the development will not cause any material loss of privacy, sunlight, or daylight enjoyed by the users of adjacent buildings or parcels.

9.8.2 The design, character and appearance of a building shall be compatible with and complementary to the surrounding area.

9.9 SIGN CONTROL

9.9.1 No sign of an advertising, directional or information nature shall be erected on land or affixed to any exterior surface of any building or structure unless a development permit application has been approved.

9.9.2 Signs shall comply with the setback requirements for principal buildings in the district in which the sign is located unless otherwise allowed by the Development Authority.

9.9.3 In considering a development application for a sign, the Development Authority shall have due regard to the amenities of the district in which the sign is located and to the design of the proposed signs.

An application for a sign shall not be approved if, in the opinion of the Development Authority, the sign would

- (a) unduly interfere with the amenities of the area; or
- (b) materially interfere with or affect the use, enjoyment, or value of neighbouring properties.

On industrial sites, signs may be allowed subject to the following limitations:

- (a) no sign shall project more than 1.5 m (5 ft) above the top of any main wall or parapet to which it is affixed, unless it has been designed as an integral part of the building; and
- (b) no sign shall be illuminated unless the source of light is steady and suitably shielded.

No sign, other than one providing a public service and deemed appropriate by the Development Authority shall be permitted to locate on a public right-of-way or reserve.

On commercial sites, signs may be allowed subject to the following limitations:

- (a) signs and billboards shall be prohibited excepting signs advertising the principal use of the premises or the principal products offered for sale on the premises;
- (b) no more than two fascia signs shall be permitted for each business conducted on the premises;
- (c) no sign shall be illuminated unless the source of light is suitably shielded; and
- (d) signs shall not protrude more than 0.9 m (3 ft) from the face of a building

9.9.7 Canopy and Awning Signs

- (a) Canopy or awning signs may be allowed in non-residential areas to advertise businesses operating from the premises.
- (b) Such signs shall have a minimum clearance of 2.5 m (8 ft) above finished grade, and shall project out a maximum distance of 0.9 m (3 ft).
- (c) Signs may be suspended from the underside of a canopy provided that they are located entirely under the canopy and have a minimum clearance of 2.5 m (8 ft) above finished grade.

9.9.8 Free Standing Signs

- (a) A maximum of two (2) free standing signs may be allowed on a site.
- (b) No free standing sign shall be located on or project over a public right-of-way.
- (c) Free standing signs shall conform to the setback requirements for principal buildings in the district in which the sign is located unless, in the opinion of the Development Authority, the sign would be compatible with surrounding land uses and would not compromise traffic safety. For the purpose of this section, setback distances shall be measured from the outermost edge of the sign and/or support structure, whichever is closest to the lot line.

- (d) In the Central Commercial (C1) District, temporary “A” Board signs may be allowed provided they
 - (i) do not exceed 1.5 m² (16 ft²) in area;
 - (ii) do not exceed 1.2 m (4 ft) in height; and
 - (iii) are not fastened to the ground or employ any flashing lights or mechanical device to provide motion to the sign.

9.10 SETBACK ENCROACHMENTS

The following fixtures may project into a front, side or rear yard of a development:

- (a) verandas, porches, eaves, shade projections, windows, unenclosed steps, chimneys, sills, or any other similar feature provided that the total projection does not exceed 0.9 m (3 ft);
- (b) balconies, provided they do not project more than 1.5 m (5 ft);
- (c) an open, hard surfaced and uncovered terrace, patio, or deck in a residential district if same is enclosed except for a guard rail or parapet.

9.11 CAR AND TRUCK WASHES

The minimum site area shall be 743 m² (8,000 ft²) and shall contain storage space for three vehicles per wash bay prior to their entry into any part of the cleaning process. In the case of service stations that have car washes installed, the minimum site area shall be 1,115 m² (12,000 ft²).

9.12 CHURCHES

9.12.1 Maximum height requirements may be exceeded only if an extra 0.3 m (1 ft) of side yard is provided for every 0.3 m (1 ft) of additional height.

9.12.2 The site upon which a church is situated shall have a frontage of not less than 30 m (98.5 ft) and an area of not less than 930 m² (10,010 ft²).

- (a) In the case where a manse, rectory, parsonage or other building for a minister’s residence is to be erected on the same site as the church, the combined area of the site shall not be less than 1,390 m² (14,962 ft²).

9.13 MANUFACTURED HOMES

9.13.1 Manufactured homes shall be of sound construction and appearance to the satisfaction of the Development Authority, and meet Canadian Standards Association (CSA) Z240 MH Series standards.

- 9.13.2 Notwithstanding Section 9.13.1, manufactured homes will not be permitted if greater than ten (10) years old at the time of application.
- 9.13.3 The undercarriage of a manufactured home shall be completely screened from view by the foundation, by fireproof skirting that is the same as the siding used on the manufactured home, or by such other means satisfactory to the Development Authority.
- 9.13.4 Axles, wheels, running gear, and towing tongue shall be removed prior to final installation of the manufactured home. The owner shall place the manufactured home on and attach it to a cement foundation or other permanent foundation conforming to the requirements of the Alberta Building Code.
- 9.13.5 All manufactured homes shall be connected to municipal services prior to their occupation.
- 9.13.6 All accessory structures, additions, porches, and skirting shall be of a quality and appearance equivalent to the manufactured home.

9.14 SERVICE STATIONS AND GAS BARS

9.14.1 The minimum site area shall be 557 m² (5,995 ft²) and the maximum building coverage shall be fifteen percent (15%) of the site area.

9.14.2 No activity shall be carried on which constitutes a nuisance or annoyance to persons occupying land in the immediate vicinity of the site by reason of dust, noises, gases, odours, smoke, or vibration.

9.14.3 The site of the building shall be maintained in a clean and tidy condition and free from all rubbish and debris.

9.14.4 Landscaping shall be provided and maintained to the satisfaction of the Development Authority.

9.14.5 Screening of not less than 1.5 m (5 ft) in height shall be provided along the boundary of a site where it abuts a residential district or abuts a lane that separates the site from a residential district.

9.15 SATELLITE DISH ANTENNAS

9.15.1 A satellite dish antenna shall only be allowed to be located on a roof top if it is installed on:

- (a) apartment buildings three (3) stories or greater in height; or
- (b) buildings in non-residential districts; or
- (c) below the highest point of the roof line of a dwelling unit.

9.15.2 A satellite dish antenna shall conform to the site requirements for accessory buildings (Section 9.1).

9.15.3 The satellite dish antenna shall be located on the same site as the intended signal user.

9.15.4 Sections 9.15.2 and 9.15.3 may be waived where the applicant can demonstrate, to the satisfaction of the Development Authority, that compliance would prevent signal reception.

9.15.5 If a signal cannot be received in a location other than a front yard, the minimum front yard setback shall be 3.3 m (10 ft).

9.15.6 A maximum of two (2) satellite dish antennas may be allowed per dwelling unit.

9.16 DEVELOPMENT ALONG WATERCOURSES

- 9.16.1 Notwithstanding other provisions in this Bylaw, new development occurring adjacent to a watercourse shall be set back a minimum of 9.1 m (30 ft) from the top of bank.
- 9.16.2 Development requiring disturbance or modification of the bank of the watercourse shall not be permitted.
- 9.16.3 The natural flow of the watercourse shall not be altered and the removal of bank vegetation shall not be permitted.

9.17 DWELLING UNITS PER LOT

- 9.17.1 No person in the Town shall construct or cause to be constructed more than one dwelling unit per lot.
- 9.17.2 Section 9.17.1 does not apply to:
 - (a) semi-detached dwellings;
 - (b) duplexes;
 - (c) dwellings containing basement suites;
 - (d) triplexes and fourplexes;
 - (e) townhouses;
 - (f) apartment buildings;
 - (g) dwellings that are located within an approved manufactured home park; and
 - (h) dormitory residences.

9.18 REQUIREMENTS FOR PRIVATE SWIMMING POOLS

- 1. The definition of a Private Swimming Pool is “A swimming pool that is constructed for the use of a single family dwelling by the Owners and their guests.”
- 2. The definition of a Swimming Pool is “A structure, basin or tank containing an artificially created pool of water that is greater than 600mm in depth at any point and is used swimming, recreation, bathing, diving, wading, healing or therapy, religious rituals or other purposes, and includes all buildings, equipment and facilities used in connection with it. Note: Includes Hot Tubs
- 3. The Safety Codes Act requires Building Permits be issued for all Pools with a depth greater than 600mm.
- 4. Except for a pre-manufactured private pool that is entirely above ground, plans shall be submitted and shall include the following information:
 - a. Site plan
 - b. Details of pool construction
 - c. Schematics for the pool mechanics, including line sizes and inlets and outlets
 - d. Water supply source and waste water disposal

- e. Pool data including surface area, circulation rate, turnover rate filter size/type and model, # of inlets, number of skimmers and drains
- 5. Article 7.3.2.3 of the Alberta Building Code requires the entire area of an outdoor Pool be protected by a fence, building wall or enclosure that can prevent access by unauthorized persons and its height above the outside ground level shall be not less than 1.8 m for private pools. Gates that have been installed are required to have a self-closing device and be lockable from the inside.
- 6. An exception to this is if the widest portion of the pool or the hot tub does not exceed 2.4 m or 8 ft. and a cover is provided that has the structural capacity to support the weight of an adult across the top of it when it is in the closed position. Also, the cover is provided with lockable devices to prevent access to the water by unauthorized persons. The cover is in place and locked at all times when the pool or hot tub is not in use.
- 7. Local Health Authority shall be contacted for all pools except for the pre-manufactured pools that are entirely above ground.
- 8. Building Safety Officer shall be contacted prior to the installation of a pool or hot tub.
(Bylaw 858 October 22, 2007)

SECTION 10 ESTABLISHMENT OF DISTRICTS

10.1 DISTRICT CLASSIFICATION

For the purpose of this Bylaw, all lands within the Town are divided into the following districts:

| <u>District</u> | <u>Symbol</u> |
